

Novartis achieves Silver Class status in RobecoSAM's 2014 sustainability ranking ^[1]

Publish Date: 25 February 2014 21:33 GMT

It's the combination of responsible business and a focus on science that drives our company and our corporate responsibility efforts – and we are being recognised for its success.

RobecoSAM is an investment specialist focused exclusively on Sustainability Investing. Every year since 2004, The Sustainability Yearbook has listed the world's most sustainable companies in each industry as determined by their score in the annual Corporate Sustainability Assessment (CSA). The yearbook looks back at companies' sustainability performance and ranks them as Gold, Silver or Bronze.
