

Connemarathon April 2014 ^[1]

Publish Date: 26 November 2015 08:14 GMT

Congratulations to the all the brave Novartis employees who braved the wind, hailstones and cold in Connemara on Sunday 6th April 2014. 18 people committed and completed the 2014 Connemarathon, with a mixture of walkers, joggers and runners, they did Novartis proud (check out our T-shirts) and helped raise €4,500 for Cancer Care West. Well done to All!
